Thank you so much for all your hard work over all the years that you have both supported our community. From me personally, thank you for always being so trusting that I will eventually pay my paper bill! And for starting the post office – it's been so helpful having you there for parcels and letters. Wishing you well for the future. Warmest wishes.

To Mr and Mrs Virk and your lovely children and grandchildren. You have all been family friends for as long as I can remember. My children went to school with yours, we shared Parampreets wedding such happy memories. Steve was your paper boy for a while, you have just been there in the Arboretum as long as we have.. You will be missed but it's time to retire and put yourselves first. May you enjoy a long and happy retirement and thank you for your hard work over many years
